VI. Adjourn

POSTED THE 6th DAY OF APRIL 2023 IN ACCORDANCE WITH STATE LAW
The City needs to provide sewer to 2502 Ave O. The design and survey is necessary in order to proceed and get actual cost for the service. Due to the location and it being in DOT right-a-way it is necessary to have an engineer design the plans for the work to be done.

Discuss/approve design and survey fees only.

BACKGROUND:
Shannon:

I am forwarding the e-mail that I received from Mike Seibel and Jonathan Mitchell and they are requesting that we amended, or start the amendment process, on our abortion ordinance to include the following language, to wit: "This chapter [or ordinance?] shall not take effect or be in effect, and may not be enforced, unless and until the city of _____ [or county of _____] obtains a declaratory judgment from a court that it may enact and enforce an ordinance requiring compliance with the abortion-related provisions of 18 U.S.C. § 1461 and 18 U.S.C. § 1462, however those statutes are interpreted by the court, and the declaratory judgment becomes final upon the conclusion of direct appeal."

They need us to call a special meeting to address this matter prior to May 31, 2023 (which is the date of the NM Supreme Court hearing to stay the Eunice Ordinance), to show the City of Eunice is in the process of amending its abortion statute. I told him that I would request that we call and start the amendment process.

We will visit about this matter more this evening.
