

June 10,2017

To the Mayor and the City Council

I am writing this letter representing The Sons of the American Legion and requesting the Golf course for our annual golf tournament on June 10, 2017. And waive the payment for the course As we are a non-profit organization.

The monies go toward Scholarship for our local students and we also buy the Medallion's for the Sons graves and keep Flags on all the Veterans and the sons At their gravesites.

Thank you,

Commander of The Sons of the American Legion WARDELL ALLEN

Adjutant of The Sons of the American Legion LUPE ZUNIGA
