

Mayor Matt White,

01 February 2017

It is my understanding that Basic Energy, Located on West Texas Avenue, has requested to be annexed into the Eunice city limits for sewer and water services. As my property lies directly east of their property and between the City and their property line, I also request to be annexed if the following

Restrictions can be met.

1. My property will be zoned as R-R Rural Residential per city ordinance, Zoning, dated 07-27-04
2. Property may be rezoned to C-R Commercial Residential if requested by me or new owner if sold.
3. This property will have access to water and sewer as needed.

Thank you for your attention to this matter.

Willie Bettis
